

## SMART AIR™

### MOBILE REPAIR UNIT

Smart Air™ is a highly mobile, easy to use, at source extraction system designed to free up your spray booth and maximize your throughput. Spray Tech / Junair/Junair's Smart air is a mobile painting system that is ideal for smaller spot repairs. Repairs can be refinished quickly, without the need for moving the vehicle or full masking.

#### STANDARD FEATURES:

- Rolling Stand Mounted Hood
- Hose system with Quick Disconnect
- Smart Air™ Extraction Tower
- Air Solenoid Valve for Spray Gun Connection
- Pressure Regulator

#### SMART AIR™ IR (INFRARED) – ADDON FOR SMART AIR™:

Short Wave Infra-red curing system custom engineered for the Smart Air™ Infrared drying system.

## WHEEL SMART™

### WHEEL REFINISHING UNIT

Wheel Smart™ is an at source extraction system, which allows the paint finishing process of wheels to be carried out in workshops without the need for a conventional spray booth. Wheelsmart uses the extraction system from the Junair Smartair unit and creates a mobile wheel painting facility in the workshop that meets NESHAP 6H and other local codes.

#### STANDARD FEATURES:

- Rolling Wheel Refinishing Stand
- Large and Small Masking Collars
- Hose system with Quick Disconnect
- Smart Air™ Extraction Tower
- Air Solenoid Valve for Spray Gun Connection
- Pressure Regulator

## QUALITY – RELIABILITY & INNOVATION

For more than two decades Spray-Tech/Junair has manufactured superior finishing equipment, built from quality components to provide years of worry-free operation. Our innovative designs deliver energy and application efficiencies with consistent results.

- Spray-Tech/Junair employs a team of seasoned designers proficient with the latest software and lean manufacturing principles.
- Combined, our engineering staff has well over 100 years of design experience, providing us the ability to maintain continuity in design and allowing us to accurately visualize and test our equipment before it is physically constructed.

Ask our expert engineers to find a practical solution for your process today.

### PRODUCING ONLY THE HIGHEST QUALITY FINISHING EQUIPMENT SINCE 1994

Est. 1994 and based in Rialto, CA, Spray-Tech/Junair is an American brand whose products have achieved international reach & relevance.

Spray-Tech/Junair produces some of the world's most efficient industrial finishing products that deliver exceptional results while leading the industry in eco-friendly design. Spray-Tech/Junair is dedicated to doing business without damaging the environment; that's why we utilize solar-panel technology to run our manufacturing facility.
